Factory Location: PTG Treatments Limited, 40 Berth, Tilbury Freeport, Tilbury, Essex, RM18 7HP

This Document Certifies that:

The Factory Production Control procedures/routines operated by PTG Treatments Ltd at the above premises have been subject to FPC Inspection and found to comply with the FPC requirements.

This certificate is valid for a period of 1 year from date of issue provided that a routine surveillance visit is carried out once every 12 months from the previous visit, to check ongoing implementation of and compliance with the FPC assessed as acceptable.

NOTE:

This certificate will become invalid if the manufacturer makes significant changes to the assessed as acceptable FPC system, (such as sub-contracting part of the manufacturing process which was previously all carried out in house or new production methods are implemented).

This certificate will become invalid if the manufacturer moves the manufacture of the product from the factory location identified above.

Products Covered by this Certificate are listed on page 2:
